New Delhi, July 7, 2020: Extending its portfolio in 160cc motorcycle segment further, Honda Motorcycle and Scooter India Pvt Ltd. today unveiled the new X-Blade BSVI.

Introducing X-Blade BSVI, **Mr. Yadvinder Singh Guleria, Director – Sales & Marketing, Honda Motorcycle & Scooter India Pvt. Ltd.** said, "The new X-Blade BSVI is inspired by the dreams of success oriented young enthusiasts. The generation which aspires to '**Look Beyond**' will find it **hard to resist** Honda's globally acclaimed superior technology, new features like dual petal disc brakes with ABS, Engine Stop Switch and new dynamic stripe design of the **new X-Blade BSVI.**"

Sporty Character

For the one who embrace technology without compromising on looks, the X-Blade strikes the perfect balance between sportiness and practicality.

At the heart of X-Blade BSVI ticks Bharat Stage VI compliant Honda's mid-size advanced **160cc PGM-FI NEW HET (Honda Eco Technology) engine.** PGM-Fi is a system that uses **8 onboard sensors** to constantly inject optimum fuel and air mixture to provide greater performance and superior efficiency.

**Only available in Dual disc Variant*

PRESS RELEASE

The **advanced & efficient engine** is designed to deliver superior efficiency with best in class torque. The compression ratio of 10:1 and spiny sleeves on outer surface leads to punchy performance. **Smooth power delivery** is ensured with a **needle bearing rocker arm** which helps in reduction of friction losses. The new engine also comes equipped with **counter weight balancer** which reduces vibrations and helps in delivering smooth acceleration from low to high rpm. Powered by the revolutionary HET (Honda Eco Technology), the long stroke engine is tuned to deliver extra torque and super mileage.

The high-performance **Rear Mono Shock** suspension is housed below the seat and mounted on the advanced tough and flexible diamond frame. It offers superior riding comfort and excellent stability.

The petal shape cut on the disc brake dissipates heat effectively which improves the overall braking efficiency. A combination of **Front & NEW Rear*** disc brakes provides effective braking and better control.

Superior Convenience

New Honda X-Blade BSVI comes equipped with **ABS (Anti-lock braking system)** that gives an enhanced braking performance on the roads.

NEW Engine Stop Switch provides the convenience of turning-off the engine on brief stops with the flick of a switch.

Ensuring safety of riders in low visibility conditions is the **Hazard switch** that flashes indicator lights.

The **Street-Tech digital meter** comes with advance features- **Gear Position Indicator** (gives information about engaged gear in all road conditions), **Digital Clock** (shows time) and **Service Due Indicator** (informs when the vehicle requires service).

Being an all-rounder, the stylish X-Blade offers superior riding comfort and excellent stability. The **130mm wide rear tyre with hugger fender, long wheelbase(1347mm)** enhance stability on bad roads and ensures comfort during longer rides.

A **long (582mm) & wide (337mm) seat** provides ample space for a comfortable long-distance traveling. It comes with **seal chain** which needs less frequent adjustments and low maintenance cost.

Uber Stylish

The all-new X-Blade is designed with precision to compliment the attitude of millennials and Generation-Z. Cut through the dark in style with **Robo-faced LED headlamp** while leaving a mark on your followers with the **Razor-edged LED** tail lamp. Adding sportier demeanor to X-Blade is the **Aggressive Sculpted tank design** and **Dual Outlet Muffler**.

It's aggressive and futuristic design is further accentuated by **link type gear shifter, groovy grab rail, stylish wheel stripes, sporty under cowl & front fork cover, sharp side covers** and **hugger fender**. **NEW Dynamic graphics** on fuel tank and side covers enhance the identity of X-Blade.

Price, variants & colors

The new X-Blade will be available in two variants – **Single disc & Double disc** in four stunning colors - **Pearl Spartan Red, Pearl Igneous Black, Matte Axis Grey Metallic** and **Matte Marvel Blue Metallic**. The price for X-Blade BSVI starts from **Rs. 1,05,325** (Single disc version, ex-showroom Noida, Gautam Budh Nagar, Uttar Pradesh).
